**The HERD** is a local car club primarily for those in Northern Illinois, Southern Wisconsin and Northwestern Indiana. When we say club, we mean a grass roots organization for the advancement of the interest in the last big V-8 RWD cars to roll off the lines at GM. It is not a business, but a hobby.

**The HERD** is open to anyone, anywhere, but our focus is primarily the "Tri-State" area. We are a group of folks from all walks of life that have at least one common interest... The 1994 to 1996 Chevy Impala SS. From its early beginnings, **The HERD** has grown into a very active organization of Impala SS enthusiasts. We host a variety of very useful and informative resources available to the enthusiast.

**Meetings** - We meet every 3<sup>rd</sup> Thursday of the month to share experiences & ideas. Plus it's a great time to just hang out with some friends that also have some cool cars.

**Web Page** - [www.TheHERD.com](http://www.TheHERD.com) to find us on the Internet.

**Forum** - The Garage is the place to go for Tech Tips and an Events Calendar full of Meetings, Car Shows, Cruise Nights and Racing Dates.

**News Group** - Do you Yahoo? If you do, then HERDClub on Yahoo Groups has some of the latest discussions.

Facebook Page - Look for us on Facebook. **The HERD** is expanding into the Social Networks as well. We are, after all, a Social Club.

**Newsletter** - **SStampede** is a quarterly publication that features articles about performance, maintenance and other Impala related stories. A full Schedule of Meetings and Events is updated for every publication.

We attend many local and not so local car shows, hang out at various cruise nights & drive-ins, race at 1/4 mile drag strips and have somewhat regular meetings to share ideas, experiences and stories. Check out the Events Calendar of **The HERD** website for updated information about upcoming gatherings. You do not need to be a member to attend an Event.

With the expansion of **The HERD** it has become necessary to request a dues contribution. These dues are used to support the publishing and mailing of the newsletter and to defray some of the expenses of our popular Internet web page. As a dues paying member, you will receive:

- **The HERD** Membership Name Tag w/ Lanyard
- **The HERD** Club T-Shirt
- **Runnin' with The HERD** window sticker and/or refrigerator magnet
- **SStampede** Quarterly Newsletter – Winter, Spring, Summer and Fall issues
- **The Garage Forum** is FREE to browse, but membership allows full access and ability to post in the discussions.
- Parts Source Information and Discounts with various retailers that sponsor and/or support
